WARRANT FOR ANNUAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To any of the Constables of the Town of Wayland, in said County:

Greetings:

In the name of the Commonwealth you are required to notify and warn the inhabitants of said Town qualified to vote in town elections to meet at their respective polling places on

MONDAY, MARCH 4, 1929

at six o'clock in the forenoon, there and then to bring in their ballots for a Moderator, Town Clerk, three Selectmen, a Treasurer, a Collector of Taxes, a Surveyor of Highways, a Tree Warden, and seven Constables, all for one year.

One Member of the School Committee, one Cemetery Commissioner, one Commissioner of Trust Funds, two Trustees of Public Library, one Member of the Board of Public Welfare, one Assessor, one Member of the Board of Health, one Water Commissioner, one Park Commissioner, and two Members of the Planning Board, all for three years.

Also one member of the Board of Public Welfare for two years, to fill vacancy.

All the foregoing to be voted on the official ballot. The polls will be open at 6.15 in the forenoon and will remain open continuously until four o'clock in the afternoon, when they shall be closed.

And you are required to notify and warn the inhabitants of said town qualified to vote in town affairs to meet at the Town Hall on

WEDNESDAY, MARCH 6, 1929

at 7:45 P. M., then and there to act on the following arti-

cles, viz:

Article 1. To hear the reports of Town Officers, agents and committees, and act thereon.

Article 2. To choose all necessary Town officers, agents and committees, not elected by official ballot.

Article 3. To grant money for necessary Town purposes.

Article 4. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year.

Article 5. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow a sum of money not exceeding \$8,000.00 in anticipation of re-imbursement from the State and County on account of oiling and repairing State-controlled roads.

Article 6. To see if the Town will appropriate and assess the sum of \$826.29 to reimburse the State and County for work done by order of the County Commissioners on the Old Sudbury Road at the bridges.

Article 7. To see if the Town will accept the following gift: \$100 to establish the "Charles B. Felch Fund" income from which to be used for the perpetual care of the Charles B. Felch Lot No. 45, section A in the Lake View Cemetery.

Article 8. To see if the Town will accept the following bequest: \$200 received from the Estate of George F. Marston, to establish the "George F. Marston Fund," income from which to be used for perpetual care of George F. Marston Lot No. 44, section B, Lake View Cemetery.

Article 9. To see if the Town will accept the following gift: \$200 received from Mrs. Nellie J. Draper to establish the "Paul T. Draper Fund" income from which to be used for perpetual care of Paul T. Draper, Lot No. 29, North Cemetery.

Article 10. To see if the Town will accept the following gift: \$100 received from Mrs. Dana Elkins to establish the "Ainsley Dunham Fund" income from which to be used for perpetual care of Lot No. 15, section E, Lake View Cemetery.

Article 11. To see if the Town will appoint a Com-

mittee consisting of the School Committee and two other members to be appointed by the Moderator to make a thorough investigation in regard to the housing problem of the School and report at the next town meeting.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$300 or some other amount, and elect a director, the money to be expended by and the director to serve in co-operation with the Middlesex County Trustees for County Aid to Agriculture in the work of the Middlesex County Extension Service under the provision of Sections 40-45, Chapter 128, General Laws of Massachusetts.

Article 13. To see if the Town will authorize the Fire Department to sell a wagon no longer in use.

Article 14. To see if the Town will appropriate and assess an additional sum of money for the erection of a building for the housing of the Highway Department equipment.

Article 15. To see if the Town will appoint a Committee of three citizens to serve as a Committee on Town Forest, or do or act.

Article 16. To see if the Town will authorize its Committee on Town Forest to accept such land as may be offered to be used for the purpose of a Town Forest, or do or act.

Article 17. To see if the Town will vote to accept the provisions of Chapter 82, Section 37 of the General Laws and amendments thereto, providing for the establishment of building lines, or do or act.

Article 18. To see if the Town will appropriate and assess a sum of money for the purpose of providing a survey of the Town, or any part thereof, as a beginning toward a Town Plan, or do or act.

Article 19. To see if the Town will appropriate and assess a sum of money for the relocation and reconstruction of Concord Road from the Town Hall to Plain Street, according to plans to be recommended by the County Engineers, or do or act.

Article 20. To see if the Town will appropriate and

assess a sum of money for the purpose of constructing a sidewalk on Concord Road from the Library sidewalk to the driveway of Mrs. Florence Hynes, and for the necessary widening of the travelled way at Mr. Goodell's curve, or do or act.

Article 21. To see if the Town will appropriate and assess a sum of money for the purpose of extending the sidewalk on the northerly side of Pond Street East to School Street, beginning at the ending of the present tar sidewalk, or do or act.

Article 22. To see if the Town will appropriate and assess a sum of money not exceeding \$2000.00 for the purpose of painting and redecorating the Library, or do or act.

Article 23. To see if the Town will vote to extend an eight inch water main with necessary fire hydrants, gates and fittings connecting at Clay Pit Hill Road and continuing along Concord Road to the Lincoln Town line a distance of two and two-tenths miles, and to appropriate, grant, borrow or otherwise provide a sum of money not exceeding \$23,000 to pay for the same, or take any action relative thereto.

Article 24. To see if the Town will vote to extend a six inch water main with fire hydrants, gates and fittings, along the following described roads:—from Concord Road along Sherman's Bridge Road to Sherman's Bridge, a distance of seven tenths of a mile and from Concord Road along Lincoln Road to the residence of Sidney Stone, a distance of four tenths of a mile and thence from Lincoln Road along Hazelbrook Road and Glezen Road to the residence of Neal Cox, a distance of four tenths of a mile, and to grant, appropriate, borrow or otherwise provide a sum of money not exceeding \$17235, to pay for the same or take any action relative thereto.

Article 25. To see if the Town will vote to extend an eight inch water main with necessary fire hydrants, gates and fittings connecting the force main at or near Cochituate Road and continuing westerly along Old Connecticut Path one and one tenth miles to the water main near Indian Road, and to grant, appropriate, borrow or otherwise provide a sum of money not exceed-

ing \$11,500 to pay for the same, or take any action relative thereto.

Article 26. To see if the Town will indemnify the Commonwealth of Massachusetts against any and all claims for land, grade and drainage damages which may be caused by or result from the laying out, alteration, construction or reconstruction of the State Highway known as State Road East and State Road West or any section or relocation thereof, and will authorize the Board of Selectmen to sign an indemnity agreement therefor in behalf of the Town, and make an appropriation therefor, or take any other action with respect thereto.

Article 27. To see if the Town will appropriate and assess a sum of money for the purpose of putting two culverts on Moore Road, or do or act.

Article 28. To see if the Town will vote to have a police officer at Wayland Center for the ensuing year and appropriate and assess the sum of \$1,000 therefor, or do or act.

Article 29. To see if the Town will appropriate and assess a sum of money to install a new fire alarm system, or do or act.

Article 30. To see if the Town will take the necessary steps to change the name of Dudley Pond, or do or act.

Article 31. To see if the Town will appropriate and assess a sum of money for the purchase and installation of an automatic signal at Post Office Square corner, Cochituate, or do or act.

Article 32. To see what sum, if any, the Town will vote to transfer from available funds to meet any of the appropriations made under the foregoing articles.

And you are required to serve this Warrant by posting copies thereof, attested by you, at the Town Hall, at each Post Office in Town, and in the Engine House at Cochituate, seven days, at least, before the time of holding said election.

Hereof, fail not and make due return of this Warrant with your doings thereon to the Town Clerk on or before March 4, 1929.

Given under our hands and seal this 4th day of Feb-

ruary, in the year of our Lord, one thousand nine hundred and twenty-nine.

GEORGE G. BOGREN

RICHARD AMES

SIDNEY LOKER

Selectmen of the Town of Waland.

A true copy, attest:

Constable of the Town of Wayland.

VOTES ENACTED AT THE ANNUAL TOWN MEETING MARCH 7, 1928

Town Clerk's Office
Wayland, Massachusetts
March 7, 1928.

John Connelly, Moderator:

Pursuant to the foregoing warrant the inhabitants of the Town of Wayland met this day and did the following business.

Article 1. To hear the reports of Town officers, agents and committees, and act thereon.

Voted to accept the Finance Committee's report with recommendations.

Voted to accept the report of the Committee on Water Supply and adopt its recommendation.

Voted to accept all other reports.

Amendment made on Selectmen's Report (On June 6, accordingly the system was provisionally accepted and house connections made, the system being operated by the Harvard Trust Co. On August 23, the provisions having been complied with, the system was finally accepted and turned over to the Water Board to operate.) was omitted.

Article 2. To choose all necessary Town officers agents and committees not elected by official ballot.

John Connelly, Isaac Damon, and Howard W. Parmenter were elected trustees of the Allen Fund.

Voted that the Selectmen act as Fence Viewers.

Voted that the Constables act as Field Drivers.

William Fullick, Frank Haynes, Melville Loker, Wm. S. Lovell and Arthur F. Marston were elected Surveyors of Lumber.

Arthur W. Atwood, Joseph Decatur, William S. Lovell, Israel A. Lupien and Arthur F. Marston were elected Measurers of Wood and Bark.

The following were elected members of the Memorial Day Committee:

Civil War Veterans

James I. Bryden, Marcus M. Fiske, Llewellyn Flanders, Thomas F. Frost and George B. Howe.

Spanish War Veterans

William Hardy, Frank C. Moore, Thomas Murray and John Wright.

World War Veterans

William J. Ahearn, Earl G. Barry, Ernest H. Damon, Arthur Hurd Dudley, Cornelius J. Maguire and Charles Howard Smith.

Sons of Veterans

Erwin W. Schleicher.

Article 3. To grant money for necessary Town purposes.

Voted unanimously to appropriate and assess the sums of money enumerated in the Finance Committee's Report with an addition of \$150 over that recommended for Printing Valuation List and to adopt the recommendations therein contained. The following is the Finance Committee's Report as above amended.

Article 4. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year.

Voted that the Town Treasurer, with the approval of the Selectmen, be and hereby is, authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1928; to issue a note or notes therefor payable within one year, any debt or debts incurred under the foregoing to be paid from the revenue of the said financial year.

Article 5. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow a sum of money not exceeding \$8,000.00 in anticipation of re-imbursement from the State and County on account of oiling and repairing State-controlled roads.

Voted that the Town authorize the Treasurer, with the approval of the Selectmen, to borrow a sum of money not exceeding \$8,000.00 in anticipation of re-imbursement from the State and County on account of oiling and repairing State-controlled roads.

Article 6. To see if the Town will accept the following bequest: \$100.00 received from the Estate of John F. Carr to establish the "John F. Carr Fund" income from which to be used for the perpetual care of the John F. Carr lot in the Center Cemetery.

Voted to accept the foregoing bequest.

Article 7. To see if the Town will vote to increase the salary of the Town Treasurer and appropriate and assess a sum of money for such increase.

Voted unanimously to increase the salary of the Town Treasurer to \$750.

Article 8. To see if the Town will vote to appropriate and assess the sum of \$500.00 for the purpose of completing the tennis court on the Cochituate playground,

or do or act.

Voted to pass over the Article.

Article 9. To see if the Town will accept the gift of the property known as the Wayland Inn Property and adjacent or nearby parcels on Main Street, Milbrook Road and State Road East, to be used for Park purposes until such time as the Town may desire to use part thereof as a site for a Town Hall, at which time such part thereof as is necessary for site and the approaches and grounds in connection therewith may be appropriated for such use, and will authorize the acceptance thereof by the Board of Selectmen, or do or act.

Voted that the Town authorize the Board of Selectmen to accept on behalf of the Town the gift of the property known as the Wayland Inn Property and adjacent or nearby parcels on Cochituate Road, Milbrook Road and State Road East, to be used for Park purposes until such time as the Town may desire to use part thereof as a site for a Town Hall, at which time such part thereof as is necessary for such site and the approaches and grounds in connection therewith may be appropriated for such use.

Voted further that the Town hereby expresses its thanks to the donors for their generosity and public spirit

A rising vote of Thanks was given to the donors.

Article 10. To see if the Town will instruct the Planning Board to have made a study for the improvement of the property referred to in the preceding article and appropriate and assess a sum of money therefor.

Voted that the Town appropriate and assess the sum of not exceeding \$1000 for the use of the Planning Board for the purpose of a study for the improvement of the land accepted under Article 9.

Vote: Yes 134, No 133.

Article 11. To see if the Town will appoint a committee to study the schoolhousing problem in Wayland Center.

Voted that the Moderator appoint a committee of three to study the schoolhousing problem in Wayland, and make their report at the next annual Town Meeting.

Article 12. To see if the Town will vote to appropri-

ete and assess a sum of money for the purpose of establishing courses in vocational education in the High School, or do or act.

Voted to refer the matter to a committee of three to be appointed by the Moderator.

Article 13. To see if the Town will vote to amend the vote passed under Article 24 of the warrant for the Annual Town Meeting of 1924, so as to read as follows:

"Voted that the Town appropriate and assess the sum of six thousand dollars to acquire by purchase or otherwise a parcel of land with or without buildings, and to erect suitable buildings, or alter existing buildings thereon, said land to be acquired and said buildings to be erected for the use of the Highway Department and for other municipal purposes, and that the Selectmen shall be the committee therefor with full power to purchase the land and to contract for the buildings," and re-appropriate said sum of six thousand dollars now in the treasury, or do or act.

Voted to lay the matter on the table.

Article 14. To see if the Town will make a further appropriation for the purpose named in Article 13, and determine in what manner the money shall be raised.

Voted to pass over the Article.

Article 15. To see if the Town will authorize the Trustees of the Public Library to sell the water equipment no longer in use since the installation of town water.

Voted to authorize the Trustees of the Public Library to sell the water equipment no longer in use since the installation of town water.

Article 16. To see what action the Town will take in regard to the bequest from Jonathan M. Parmenter for the establishment of a hospital.

Voted to refer the matter to a committee of five to be appointed by the Moderator.

Article 17. To see if the Town will vote to appropriate and assess the sum of two thousand dollars to paint and repair Town Hall, or do or act.

Voted to pass over the Article.

Article 18. To see if the Town will authorize the Water Board to connect the water system in Cochituate

with the Water system in Wayland Center, or do or act.

Voted to pass over the Article.

Article 19. To see if the Town will vote to borrow a sum of money for the extension of the water system for a period not to exceed fifteen years and to authorize the issuance of notes therefor, or do or act.

Voted to pass over the Article.

Article 20. To see if the Town will vote to extend the water system to the Northerly part of the Town or take any action relative thereto, and appropriate and assess money therefor, or do or act.

Voted that the Moderator appoint a committee of three to investigate the matter.

Article 35 was taken up at this time.

Article 35. To see if the Town will vote to reduce the number of Water Commissioners from five to three and determine how such a reduction shall be effected, or do or act.

Voted that the vote whereby the Town voted to increase the number of Water Commissioners to five be and is hereby rescinded.

Article 21. To see if the Town will vote to rescind or amend that part of the vote under Article 14 passed at the meeting of July 26, 1926 whereby the number of paid hydrants was limited to "sixty hydrants in Precinct 1 and sixty hydrants in Precinct 2" or do or act.

Voted to pass over the Article.

Voted to adjourn meeting until March 14, 1928.

Meeting adjourned at 11.15 P. M.

ADJOURNED TOWN MEETING

March 14, 1928

On March 14, 1928, the meeting reconvened and did the following business.

Article 22. To see if the Town will fix the compensation of the Assessors and appropriate and assess the same.

Voted that the compensation of each assessor of taxes be six dollars per day of eight hours.

Article 23. To see if the Town will vote to accept the provisions of Chapter 82, Section 37, of the General Laws and amendments thereto, providing that the Selectmen may establish building lines.

Voted No. Yes 42, No 76.

Article 24. To see if the Town will appropriate the sum of \$12,500.00 with help from the State and County, for the reconstruction of Pond Street, or do or act.

Voted that the Town appropriate and assess the sum of \$12,000 with help from the State and County for the reconstruction of Pond Street. Vote unanimous.

Article 25. To see if the Town will appropriate a sum of money, by borrowing or otherwise, for the purpose of relocating and reconstructing Old Sudbury Road, the causeway and bridges on said road, or do or act.

Voted to pass over the Article.

Voted to pass over the article.

Article 13.

Voted not to remove the matter of Article 13 from the table.

Vote Yes 34, No 75.

Article 10. Voted to return to Article 10.

Vote Yes 87, No 43.

Voted to pass over the Article.

Article 31. To see if the Town will vote to appropriate and assess a sum of money to purchase and install necessary curtains for use on the stage of the Town Hall.

Voted to pass over the Article.

Article 32. To see if the Town will vote to appropriate and assess a sum of money for the purpose of constructing a sidewalk on Concord Road from the Library sidewalk to the driveway of Mrs. Florence Hynes, and

for the necessary widening of the travelled way at Mr. Goodell's curve, or do or act.

Voted to refer the matter to the Planning Board.

Article 33. To see if the Town will appropriate and assess a sum of money for the purpose of building additional sidewalk on the Northwest corner of Memorial Square, or do or act.

Voted to appropriate and assess the sum of \$125 for the purpose of building additional sidewalk on the Northwest corner of Memorial Square.

Article 34. To see if the Town will appropriate and assess a sum of money not exceeding \$500.00 for the purpose of extending sidewalk on the Northerly side of Pond Street East to School Street, or do or act.

Voted to refer the matter to the Planning Board.

Article 35.

Voted to reconsider the vote on Article 35.

Voted unanimous.

Voted to rescind the vote previously taken on Article 35.

Voted to pass over the Article.

Article 36. To see if the Town will vote to abolish the office of Surveyor of Highways, or do or act.

Voted to pass over the article.

Article 37. To see if the Town will vote to authorize the Selectmen to appoint a Superintendent of Streets, or do or act.

Voted to pass over the article.

Article 38. To see if the Town will vote to appropriate and assess a sum of money for the salary of Superintendent of Streets, or do or act.

Voted to pass over the Article.

A unanimous vote of confidence was given the Treasurer.

Article 39. To see if the Town will vote to fix the salary or compensation of the Surveyor of Highways and appropriate or assess the same, or do or act.

Voted to fix the salary of the Highway Surveyor at \$1500 per year the same to be taken from Highway appropriation.

Vote Yes 124, No 9.

Article 12.

Voted to return to Article 12.

Article 40. To see if the Town will vote to authorize the Selectmen to reorganize the Fire Department and appoint two permanent firemen, or do or act.

Voted to pass over the article.

Article 41. To see if the Town will vote to appropriate and assess a sum of money for the salary of two permanent firemen, telephone and incidentals, or do or act.

Voted to pass over the article.

Article 42. To see if the Town will vote to authorize the Heads of Departments to render an itemized account of receipts and expenditures, the same to be printed in the annual official report, or do or act.

Voted to pass over the Article. Unanimous vote.

Article 43. To see if the Town will vote to authorize the Selectmen to have the books of the Town audited by the State Director of Accounts, once each year, the report to be printed in the annual official report, or do or act.

Voted to pass over the Article. Unanimous vote.

Article 44. To see if the Town will vote to request the Water Commissioners to install hydrants as follows: on Plain Street, one near home of Mrs. C. J. C. Tatnall, one near home of George Poutasse, one near home of T. D. Smith; on Old Connecticut Path East, one near home of Mrs. Paul T. Draper; and appropriate and assess the money therefor, or do or act.

Voted to refer the matter to the Water Board.

Article 45. To see if the Town will appropriate and assess a sum not exceeding \$150 for the purchase and installation of a hydrant to be placed at a distance of not more than 500 feet from some part of each of the buildings now on land of Anna M. Bennett, in Wayland, which lies between the land of Boston and Maine R. R. and State Road East and outside of Wayland Center, so called; such purchase and installation to be made by the Water Commissioners of the Town of Wayland, or do or act.

Voted to refer the matter to the Water Board.

Article 46. To see if the Town will vote to appropriate and assess a sum of money to extend the water main on Old Connecticut Path to the Nolan estate, or do or act.

Voted to refer the matter to the Water Board.

Article 47. To see if the Town will vote to install a street light on Concord Road, north of the residence of Thomas L. Hynes, or do or act.

Voted to pass over the Article.

Article 48. To see if the Town will vote to install a street light in the northerly end of Pinebrook Road, or do or act.

Voted to refer the matter to the Selectmen.

Article 49. To see if the Town will vote to increase the compensation of the Registrars of Voters, from \$25 to \$50, and appropriate and assess the necessary amount, or do or act.

Voted No.

Article 50. To see if the Town will reimburse Sydney G. Hahn for injury to his plumbing and appropriate and assess a sum of money therefor.

Voted to pass over the Article.

Article 51. To see if the Town will vote to appropriate the sum of \$250 for the collection of garbage, or do or act.

Voted to pass over the Article.

Article 52. To see if the Town will vote to appropriate and assess the sum of \$300 for repairs on Pinebrook Road beginning at the State Highway.

Voted not to refer the matter to the Highway Department. Vote Yes 42, No 48.

Voted to appropriate and assess the sum of \$300 for repairs on Pinebrook Road beginning at the State Highway.

Article 53. To see if the Town will vote to accept as a public way the private way known as Stanton Street or do or act.

Voted to refer the matter to the Selectmen.

Article 54. To see if the Town will vote to accept

as a public way the private way known as Bradford St. or do or act.

Voted to refer to Board of Survey.

Vote unanimous.

Article 55. To see what sum, if any, the Town will vote to transfer from available funds to meet any of the appropriation made under the foregoing articles.

Voted that there be transfered from Excess and Deficiency Account the sum of \$12,000.00 to meet the appropriations under the Articles of this Warrant, and that the Assessors be, and hereby are, directed to use said sum in making the assessments for the current year.

Voted to dissolve the meeting at 11.10 P. M.

Committee under Article 16. Dr. Ernest E. Sparks, William J. Scotland, Llewellyn Mills, Richard Ames and Edmund H. Sears.

Committee under Article 20. Clarence S. Williams, Howard Parmenter and George A. Hill.

Clerk of the Town of Wayland

VOTES ENACTED AT THE SPECIAL TOWN MEETING,
OCTOBER 22, 1928

Town Clerk's Office

Wayland, Mashachusetts

October 22, 1928.

John Connelly, Moderator:

Pursuant to the foregoing warrant the inhabitants to the Town of Wayland met this day and did the following business.

Article 1. To see if the Town will appropriate a sum of money to provide for the expenses in the Department of the Overseers of the Poor.

Voted that there be raised and appropriated the sum of \$2,500 for the Board of Public Welfare same to be in addition to the amounts heretofore appropriated, it being deemed an emergency, and to meet said appropriation the Treasurer with the approval of the Selectmen, be and hereby is, authorized to borrow said sum and to issue a note or notes of the Town therefore under authority of and in accordance with the Provisions of Item 9, Sec. 8, Chapter 44, General Laws, as set forth in Chapter 291 of the Acts of 1928; said loan to have the approval of a Board consisting of the Attorney General, the State Treasurer and the Director of Accounts. Vote unanimous.

Article 2. To see if the Town will appropriate the sum of \$1,200 to cover the cost of equipping a room in the Cochituate School, and for a teacher's salary to January 1st, and to furnish lockers in the basement of the Wayland High School, or do or not.

Voted unanimously to pass over the Article.

Article 3. To see if the Town will appropriate a sum of money for general highway purposes, or do or not.

Voted unanimously to pass over the Article.

Article 4. To see if the Town will appropriate a sum of money for the completion of the tennis court on the Playground in Cochituate.

Voted unimously to pass over the Article.

Article 5. To consider and act upon the question of instructing the Water Commissioners to extend the water system to the northerly part of the Town and to raise and appropriate money therefor, or to take any action relative thereto.

Voted to refer the matter back to the present Committee for a more detailed report.

Article 6. To see what action the Town will take in extending the water main from Five Paths westerly along Old Connecticut Path, and raise money therefor, or do or act.

Voted to refer the matter to a committee to be appointed by the Moderator.

Article 7. To see if the Town will acquire for park purposes a plot of land in Cochituate bounded by East Plain, East Pond and School Streets, and raise money therefore, or do or not.

Voted to refer the matter to the Planning Board to make a report at the next Town Meeting.

Article 8. To see if the Town will vote to appropriate a sum of money, in addition to that appropriated under Article 24 of the Town Meeting of March, 1924, for the erection of a building for housing Highway Department equipment, or do or act.

Voted to pass over the Article.

Voted to dissolve the meeting at 8:55 P. M.

A true copy. Attest:

M. ALICE NEALE

Clerk of the Town of Wayland.

LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law which provides that it shall be lawful in any city which accepts the act by vote of its city council and in any town which accepts the act by vote of its inhabitants, to take part in or witness any athletic outdoor sport or game, except horse racing, automobile racing, boxing or hunting with firearms on the Lord's day between 2 and 6 P. M., that such sports or games shall take place on such playgrounds, parks or other places as may be designated in a license issued by certain licensing authorities; that no sport or game shall be permitted in a place other than a public playground or park within one thousand feet of any regular place of worship; that the charging of admission fees or the taking of collections or the receiving of remuneration by any person in charge of or participating in any such sport or game shall not be prohibited; that the license may be revoked; and that in cities and towns in which amateur sports or games are permitted under existing law such amateur sports may be held until the proposed law is accepted or the provisions of the existing law fail of acceptance on resubmission to the people, which law was disapproved in the Senate by a vote of 9 in the affirmative and 22 in the negative, and in the House of Representatives by a vote of 93 in the affirmative and 110 in the negative, be approved?

Yes	202	373	575
No	181	202	383

QUESTION OF PUBLIC POLICY

Shall the senator from this district be instructed to vote for a resolution requesting Congress to take action

for the repeal of the Eighteenth Amendment to the Constitution of the United States, known as the prohibition amendment?

Yes	191	329	520
No	193	256	449

RECOUNT

Two Petitions were filed for a Recount of votes cast at the State Election for Governor and Attorney General with the Town Clerk, November 9, 1928. A Recount was accordingly made and all total votes stood the same except one vote was gained by Frank G. Allen.

DISTRICT VOTE FOR REPRESENTATIVE

Michael J. Collins,						
Concord, Dem.	846	69	155	323	350	1743

Total Vote	3003	588	657	1526	1239	7013

Mr. B. Farnham Smith was declared elected.

WILLIAM D. CROSS, Town Clerk of Concord.

FRANK G. GERRY, Town Clerk of Sudbury.

THOMAS L. GILLIS, Town Clerk of Lincoln.

BRENTON H. DICKSON, Town Clerk of Weston

M. ALICE NEALE, Town Clerk of Wayland.

Respectfully submitted,

M. ALICE NEALE,
Town Clerk of Wayland

SELECTMEN'S REPORT

All regular appointments have been made as required by law. They appear in the list of Town Officers and Committees. In addition, the Board, at the request of the Massachusetts Forestry Association, appointed the following committee to consider the question of a Town Forest in Wayland:—Messrs. Frank I. Cooper, Charles L. Fullick and Daniel Graham.

Acting upon the petition of the Planning Board and the Boards of Selectmen of Sudbury and of Wayland, the County and State began last summer the work of making safer the Old Sudbury Road at the bridges over the river. Concrete curbs were placed on the bridges and heavy wrought iron posts embedded in concrete. The approaches were widened and raised and the corners banked and the visibility improved by the removal of certain trees. The work was completed in November at a cost of \$4,957.74. Of this amount the town is obliged to pay one sixth or \$826.29.

From the appropriation of \$100 voted at the last annual meeting for traffic signs the sum of \$93.85 has been spent in the purchase and erection of sixteen signs. They have been placed as follows: two at the S curve on the Concord Road north of Glezen Lane; two on the Old Sudbury Road at the approaches to the bridges; one at Davis Corner; three at Five Paths; four at Memorial Square and four at Post Office Square, Cochituate. With the increase in volume and speed of traffic due to the improvement of Pond St., the Post Office Square corner has become more dangerous than ever and already several bad accidents have occurred. In our opinion a more effective type of warning signal is needed there and we are recommending an increase in the appropriation of the Police Department to meet the cost of such a signal.

The Board was authorized at the last annual meeting to employ counsel to investigate questions relating to the acceptance of the Parmenter gift for a water supply system for Wayland Center and the questions relating to the operation thereof. J. Sidney Stone Esq. was employed as counsel. After a thorough investigation, he submitted a full report which may be summarized as follows: 1. The acceptance of the gift at a special town meeting held on November 16, 1921 was valid. The gift is for a public purpose and the right of a town to accept such gifts is well established. The fact that a gift is for a portion of the Town rather than for the whole does not affect the question. 2. The Town has authority to handle and operate the system. It derives this authority from the General Statutes (See General Laws, Chap. 44, Sec. 8 as amended by Chap. 291, Acts of 1928; and General Laws, Chap. 40 Sec. 38 and 41) and is not dependent upon the original Water Supply Act of 1878. 3. The Town has a right to borrow money for further extensions of the system, protection thereof, and necessary equipment. This authority, also, is derived from the General Statutes and the amount that may be borrowed is not governed by the limitations of the original Water Supply Act.

The matter of storing highway equipment is still unsettled, but some progress has been made. The question of finding the right piece of land at a reasonable price has been a very difficult one and it was not until last summer that a suitable piece was found. This was a lot of approximately three acres situated on the easterly side of North Main St., Cochituate, near the residence of Warren Bishop. Although this contained more acreage than was actually necessary for the building, the Board felt justified in buying the whole piece, as it contained a large gravel pit which would be of great use to the Town and as it could be bought for only \$900. After the land had been purchased, an architect, Mr. Owens of the firm of Cram and Ferguson was employed to draw up plans and specifications for a building. The building contemplated was to be thirty feet deep, seventy-five feet long, made of concrete blocks. It was to consist of four stalls and a combined tool-room and headquarters and was to be steam-heated. Bids were called for and three were received. These were within a few

hundred dollars of each other, but were all over \$9,000. As the appropriation for both land and buildings was only \$6,000, it was impossible to proceed with the building this fall. We realize that it would be possible to erect a cheaper building but feel that such a building would not only fail to be a credit to the Town but would in the long run be less economical. We therefore recommend an additional appropriation of \$4,500.

The change from the moonlight schedule of street lighting to the standard system, authorized at the last annual meeting, has been effected.

Transfers from the Reserve Fund have been approved to meet the following overdrafts:—Tax Collector's Incidentals, \$29.64; Town Clerk's Incidentals, \$12.54; Elections and Registrations, \$254.93; Police Department, \$53.81; Board of Health, \$134.53; Board of Public Welfare \$113.09; Soldiers' Benefits \$212.57; School Department, \$576.80. The School Department overdraft was incurred with our knowledge and approval. It was unavoidable owing to an unexpected increase in the number of pupils in the Cochituate School which made necessary a new teacher and the furnishing of another room. The overdraft in the Elections and Registration account is due to the extra burden caused by the State and National elections and the recounts. In addition to the extra time required of the officials, it was necessary, because of the unusually large number of voters, to install extra voting booths and additional lighting facilities in Cochituate. The Soldiers Benefit overdraft is due to a single case which could not be avoided, which involved regular payments of \$40.00 a month, whereas heretofore the total annual payments have usually amounted to about \$400.

Acting as a Board of Survey we have received during the past year two petitions for the approval of ways in connection with building developments,—one on land of Daniel Brackett on Plain Road; the other on land of John J. Rowan on Draper Road. Both petitions, after an investigation and public hearings, were granted.

TO THE PEOPLE OF THE TOWN OF WAYLAND

The School Committee submits to you the Annual Report of the Year 1928, together with the reports of the Superintendent, the Principal of the High School, the School Physician and Nurse and Attendance Officer.

The Committee met on March 14, 1928 and organized for the year. Mr. Llewellyn Mills, chairman, Mrs. Dorothy C. Stone, secretary.

On April 11th—a most interesting meeting was held at which were present the School Committee, the Superintendent, the Principal of the High School, the School Physician and nurse and the teachers of the Wayland Schools.

This meeting was to discuss frankly the situations and problems which the teachers have to confront daily in the schools. Also the effect of health on school work which was presented by Dr. Sparks. The need for vocational training was discussed at length. We have in our schools, many children who cannot do the academic work and yet must be kept in school when there is no alternative

In nearly every instance the boy or girl can do good work mechanically or in household arts. The committee feels strongly that this is a condition which calls for serious investigation. Vocational training or special classes should be provided for those students who are good workers but who cannot keep up with the required standard of work. This, of course, would necessitate special teachers.

Health is also a tremendous factor in accomplishing successful school work. A pupil suffering from diseased tonsils and adenoids, defective eyes with inadequate glasses, or none at all, teeth in poor condition, poor pos-

ture, besides other ailments, which can be readily corrected, cannot do justice either to himself or herself, nor to the school curriculum. To obviate such conditions is the purpose of the physical examinations made by the school physician each autumn and we are glad to say that in cases where the parents have co-operated, great improvements in health and work have resulted. (We refer you to the report of the school physician).

One of the chief problems confronting your committee and also the Town, is that of housing. The school has a registration of 519 pupils and last November only two months after the opening of the school year, it was necessary to open the new room in the Cochituate building to endeavor to alleviate the situation. We only mention this briefly because both Mr. Benedict and Mr. Allen treat of it more fully in their reports.

Another is transportation. This is an immense item in our budget. There are 273 children who are brought to school. Larger busses were acquired this year but even with the additional space, both Mr. Ferguson and Mr. Hynes have to make two trips.

The Town should be proud of its growing schools but it also means that the housing situation becomes more acute, the necessary school supplies larger, and the entire school problem increasingly difficult.

There is a great need of adequate toilet facilities. Also for lockers and showers for the athletic teams. Organized sport is of infinite benefit to boys and girls and Mr. Gladu has been most happy in inspiring an enthusiasm for sport with a fine spirit of sportsmanship. It is only fair that support should be given to the athletic team with proper facilities.

A healthy body makes a healthy mind and we feel confident that any expenses incurred in the way of athletics will show its effect on the school work and also for the life work after graduation, for which school life is training its boys and girls.

The Committee feels also that, in the School Faculty and the teachers, the Town of Wayland is most fortunate and that their splendid, devoted, service is both gratifying and inspiring.

Again, we want to impress upon the townspeople

that the Committee welcomes any criticisms or suggestions for the good of the school and that anyone is at liberty to bring such before the Committee at its meetings where the subject may be discussed freely and perhaps a solution reached.

Respectfully submitted,

LLEWELLYN MILLS
WARREN L. BISHOP
DOROTHY C. STONE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee of Wayland:

The thirty-second report in the series of Union Superintendents of Schools of this Supervisory District is herewith submitted. It is my nineteenth report

School Population

You will note from the tables setting forth the registration in all grades and in both schools and through the Census Returns that there has been a further increase in the number of children of school age in Town. This increase is larger in the sections along the Old Connecticut Path, Old Stone Bridge Road, and North Wayland than in sections not covered by our Busses although there is a general increase in the number of children throughout the town.

A steady increase in school population although not one of very great percentages affects the housing of them greatly if the schools are at near capacity at the time the growth begins.

The furnished rooms in the Cochituate School at the beginning of this school year were so crowded that it became necessary to relieve the situation. The unfurnished rooms in the building was furnished and opened in November. This added 35 sittings. At one time there were only eleven vacant sittings thereafter although at this writing there are 21. During the spring we shall be obliged to take a considerable number of children as in the last few years who are transients. In view of the prospective large entering class we may look forward to having the Cochituate School again crowded in September.

An examination of the statistics relating to registration by rooms and grades reveals the fact that only two rooms accommodate a straight grade. Classes do not enter in equal numbers so that a room will not accommo-

date one entire grade in some cases. Hence the necessity of dividing grades.

A few vacant seats in a building do not therefore mean as much as a first hand examination of number of sittings and the registration would indicate.

We may be able to relieve this condition another school year by sending children from the vicinity of Old Connecticut Path and Old Stone Bridge Road to the Wayland School as formerly. At present, however, the Wayland School is carrying about as large a number of children as should be housed and taught there. This transfer of children will involve a difficult transportation problem, increasing the cost thereof somewhat.

It is necessary to call your attention in this connection to the fact that the number of the children in the first four grades of the Center Grammar School is such that an assistant is employed. The Office is used for this purpose as a recitation room. Hence we should not consider relief at the Cochituate school though transfer of the children of the District under consideration to the Center School from the four lower grades. The upper four grades do not fill the two rooms assigned to them at present. They will be more nearly filled next year and the year following as larger classes move on into them. If the number of children increases to any extent in the Wayland Center District sittings will not be available for relieving the Cochituate School.

Principal Allen discussess definitely and to some length the housing problem confronting Wayland High School. Your attention is directed to his Report. It should be given most careful and considerate attention. He presents a real need of the School. It is not a teacher want but a need that affects the Welfare of Wayland boys and girls materially. It is not a future need but one right at our doors and one that cannot be turned aside as likely to be relieved by time. Time will mawe the demand more and more insistent.

Wayland is increasing in population. It does not appear to me that we shall entertain too great optimism if we entertain the belief that growth will continue and increasingly so.

Transportation

In rural communities about all Town problems begin

and end with roads. Likewise School problems center about Transportation of school children to and from our two school centers.

We are asking more and more money for the department of transportation. Bids are called for each year to handle this matter of conveyance. We have endeavored to make use of busses as much as possible to keep cost down by duplicating routes that one bus may cover. A study of school hours may well be made to ascertain if it may not be possible to relieve the crowded condition on some routes if covered twice both morning and afternoon by one bus. A study of our transportation needs and costs may involve a change of school hours so that the high school and upper grade children will be taken to school at an earlier hour so that busses may be used for the first six grades both afternoon and morning. We may well study town ownership of busses and a three year contract with bus owners.

The school year is planned for 38 weeks and 190 days. Transportation is provided upon this basis although the actual number of days children are transported varies from 180 to 184 days. The school year 1927-1928 had 181 days schools were actually in session. The Town paid for transportation during the fiscal year \$7,192.20. The number of children transported or entitled to be transported is 273. A comparison of these figures shows the cost per pupil for the year to be \$30.34, or \$.16 per day.

Recommendations

1. We should become active as a Town in our study of our school housing outlook. A survey of the town should be made by some one who has had experience in such matters and who is able to present the town a reasonable building program.

2. The wood work, ceilings, and walls of the old part of the Cochituate School should be refinished. This is the eighteenth year of service since any work has been done in the class rooms of this sort. As a matter of economy all outside wood work should be painted and windows puttied and drawn.

3. The disposal of surface water about the Cochituate School needs attention as always. Frequently there is considerable water in the basement.

4. Lights should be installed in four rooms of the Wayland Building and those of the High School Study Hall replaced and furnished with modern lighting units.

5. Showers and lockers should be installed in the High School building for the use of our athletic teams. While furnishing hot water facilities for the showers it will be an economy to furnish the kitchen with hot water as well. The cost of heating sufficient water to care for the large luncheon service by electric current is high.

6. Gas should be provided for the laboratory now that a safe and reasonably inexpensive gas is available. Many experiments cannot be performed with the heat generated by the alcohol lamp.

7. Several rooms in the Wayland building are in need of renovation. Walls, ceilings and woodwork should be refinished.

8. You will note from Principal Allen's report that we shall have very great need of dividing classes in English, Commercial Arithmetic, French and Bookkeeping. Physics and Chemistry should be given yearly instead of on alternative years. To meet these conditions as outlined by Principal Allen another teacher is needed at the high school. The typewriting room will be too small another year; six more machines are needed.

9. I am frequently asked in regard to physical training for the children of the grades. It will be possible to secure the services of very able and well trained young women for this work. It is worthy of consideration.

Dental service should be made available to the children through the service of the schools. Your support and that of the community is urged for this worthy object which the District Nurses Association is planning to put into operation in the near future.

In Conclusion

The work of our students in Normal Schools, College, and Business is worthy of modest pride. We should be able to fit our boys and girls for these walks of life even better than at present if we keep up the good work in the grades and continue the policy of having those not ready for high school repeat work in the grades. A boy or girl may do, if encouraged to take time enough to grow to high school power very creditable high school work,

even brilliant. On the other hand a very able boy or girl if pushed beyond his or her normal growth may do very poor work. Chronological age and growth do not always synchronize.

The harmony and vigor with which your teachers work for the well being of your schools is worthy of commendation. No task is too hard, no re-adjustment too trying for them to accept willingly and cheerfully if for the benefit of the boys and girls.

Respectfully submitted,

FRANK H. BENDICT

REPORT OF HIGH SCHOOL PRINCIPAL

Supt. Frank H. Benedict,

Dear Mr. Benedict:

I herewith submit to you my eleventh annual report as Principal of the Wayland High School.

Maximum enrollment of the school to date, boys 49, girls 56, total 105. Present enrollment, boys 42, girls 53, total 96.

Present enrollment by classes:

	Boys	Girls	Total
Freshman	18	18	36
Sophomore	16	13	29
Junior	3	14	17
Senior	5	9	14

For several years I have reported to you that the general trend of the enrollment is upward, and, that in the near future, the rooms of the high school will not accommodate the students coming to it. I am already sending classes and study sections to rooms that are inadequate for the work, and which should not be used. Two years ago, the size of the English I class made it necessary to make two sections of the class. There are two sections of this class now of about twenty students each. The indications are that for next year English II and French II as well as English I will have to meet as two sections. I found it difficult to arrange the program of studies for this year because I had too few rooms to which to assign the classes, I am now wondering how the program for next year can be arranged so as to take care of these new sections with the present number of rooms.

At present the seating capacity of the high school is 128. The maximum number that can be taken care of at present is 128. In practice it would prove to be dif-

ficult to do so because this number would not be evenly divided to the teachers for class work. There is need for the school to offer vocational courses to students who do not wish college or commercial work. This would require another teacher, and of course more rooms. The shop in the basement can take care of some of the work, but this will force the boys out of dressing room quarters for athletic work and then they will have to be provided with another room.

For the athletics, there is great immediate need for hot showers and for lockers in which to keep athletic equipment. As soon as possible space should be provided so that students can be given courses in physical training and can have indoor sports for the winter months. I have gone over my records for athletic expenditures for the past six years, and find an average of \$532 has been spent for baseball and football. A large part of this money has come from gifts by citizens of the Town of Wayland, who know that athletic training is of value to the boys. I think the time has come for the Town of Wayland to pay the cost of athletics for boys and girls just as it does other items that are for development; and relieve the few, who have been keeping the Athletic work underway.

In September 1928, you proposed that the system of grading be revised so as to permit the passing of a student occasionally on work as low as 60%, instead of a student requiring 70% as in the past. The following system is now being used.

- A Excellent—(100-90)
- B Good—(89-80)
- C Passing—(79-70)
- D Condition—(69-60)
- E Failing—(59-0)

A, B and C represent work passed without any conditions. D is a conditionally passing grade. During four years a student may receive credit for four subjects to which the final grade of D has been given; providing (a) that he does not more than one final D in his senior year, and (b) that he does not receive more than one final D in English. If a student receives a final grade of D in a subject, he may start the next year's work in that subject; but if he is unable to do the work he will have to

return to the work of the previous year or drop the subject.

This arrangement for granting credit for a limited number of subjects with a grade of D is going to help the student who does his best, but occasionally cannot measure up to C work in a subject; it is not going to help a student, who is poor in all work, or who does not try to do his work. These students will have a tendency to obtain D in the larger part of their work and will not obtain credits toward graduation.

Sincerely yours,

DAVID J. ALLEN

REPORT OF THE SCHOOL PHYSICIAN

Mr. Frank H. Benedict,
Superintendent of Schools,
Wayland, Mass.

Dear Mr. Benedict:

I herewith have the honor of submitting to you my fourth report as physician of Wayland Schools.

The whole number of scholars examined is 519. Of this number 204 had diseased tonsils, 70 symptoms of adenoids, 110 cervical glands, 226 carious, dirty or stained teeth, 166 abnormal posture, and one organic heart.

While many parents are having their children's tonsils cared for, I feel that it is my duty to make special mention of the large number who still need attention. Most adenoids accompany tonsils and can therefore be cared for at the same time. A large percentage of cervical glands disappear under proper health measures.

As the District Nursing Association is soon to hold a dental clinic I am going to pass teeth examinations without comment.

I desire to bring to your attention the large number of poor posture cases and hope that some solution for improvement of this condition may be worked out in the near future.

By direction of the Board of Health I was authorized by your School Committee to hold a toxin-antitoxin clinic in the Wayland Schools. It was held in June 1928. 84 children appeared for the first treatment, two withdrew, making 82 who completed the three doses. The Schick test has not been ordered to date so the result of this work cannot be determined.

Again I desire to extend to teachers and pupils my appreciation of the orderly quiet and co-operative spirit shown me in this work and to Mrs. J. Sidney Stone my

thanks for her efficient and faithful service as my
assistant.

Respectfully submitted,

ERNEST E. SPARKS

REPORT OF THE SCHOOL NURSE

Supt. Frank H. Benedict,
Cochituate, Mass.

I hereby submit my eighth annual report for the year ending December 31, 1928.

Visits were made at both buildings during the morning hours. Pupils were weighed and measured once in three months. The sight and hearing tests were given.

Our annual re-examination clinics conducted by a physician from the State Department of Public Health, was held at the Cochituate building in May. During the spring months, the school physician was assisted in giving the toxin-antitoxin treatments to protect against diphtheria.

As heretofore a successful clinic for tonsils and adenoids was held during the summer. Deserving cases needing operation for tonsils and adenoids, have received excellent surgical attention for several years from Dr. Jessaman of Framingham.

Home visits to school children	230
First Aid to school children	13
Children accompanied to physician's office	5
Children excluded because of infection	17

I take this opportunity to thank the school committee for the great consideration shown me during my illness. I wish also to thank the school physician for giving so much of his valuable time to the school during my absence.

Concluding, I wish to thank you and the teachers for your kindness and co-operation.

Respectfully submitted,

MARY E. McNIEL

REPORT OF ATTENDANCE OFFICER

Mr. Frank H. Benedict,
Supt. of Schools,
Dear Sir:

During the past year I have had thirteen (13) cases of absence reported to me and have investigated all cases, with the results as follows:

Number having legal excuses	5
Number having no excuses	8
Total	<hr/> 13

Respectfully submitted,

EDWARD DORSHEIMER,
Attendance Officer.

REPORT OF THE WAYLAND WATER BOARD

To the Inhabitants of the Town of Wayland:—

The Board organized with Walter S. Bigwood, Chairman, Alfred C. Damon, Secretary, and Collector, A. A. Lamarine was reappointed Superintendent and John Foley, Assistant Superintendent.

The business of supplying the village of Cochrane with water was accomplished without any trouble.

Several complaints were received from the residents of Bradford St., School St., and Damon St., in regards to the pressure and condition of water in their vicinity.

The Water Board purchased 600 ft. of 4 inch and 2004 ft. of 6 inch cast iron Universal pipe, installed the 4 inch pipe on Damon and Bradford St. and the six inch pipe on School Street. Hydrants were installed on these lines giving adequate fire protection.

The Wayland system was operated for the year with only a few minor troubles at the pump station.

The Superintendent was instructed to inspect the hydrant situation at Tower Hill. He reported that only one hydrant was needed and this was installed.

WALTER S. BIGWOOD, Chairman
WALTER C. SMITH,
HARRY W. CRAIG,
JAMES J. BOLTON,
ALFRED C. DAMON, Clerk.

SUPERINTENDENT OF WATER WORKS REPORT

To Board of Water Commissioners:—

New Services Installed	52
Old Services Renewed	29
Service pipe laid	3,552 ft.

Main Replacements

School St., 6 in. iron bolted pipe	1,958 ft.
Replaced old 2 in. pipe	
School St., 6 in. bolted pipe, 1,958 ft.	
Replaced old 2 in. iron pipe.	
Wallace Road 2 in. cement lined wrought iron pipe, 464 ft. replaced 1 1-2 in. pipe.	

Main Extensions

Bradford St., 4 in. bolted pipe 452 ft.
Damon St., 4 in. iron bolted pipe 340 ft.
Main gates installed 3.
Hydrant Gates installed 3
New hydrant installations 3.

The hydrant broken on State Rd., near Terrace Gardens, was replaced with new. The party responsible for breaking paid for same. Hydrant taken up on Bradford St., was placed on Damon St. The hydrant at corner of West Pond and Pemberton Road was taken out and replaced with new. The old hydrant was repaired and placed on end of Sycamore Road line. New hydrants were placed on Tower Hill Rd. and School St. Two hydrant valves needed replacement on new system. Inspection of hydrants on Cochituate system showed many with plugged drains and small leaks. Some hydrants have been frozen at some time or other and have cracked barrels. These hydrants were installed in 1878 or 50 years ago and have no stop gates making it necessary to shut off a whole street when repairs are made. Would recommend that new hydrants be installed in place of those beyond

repair and that stop gates be placed on all hydrants. There were no main leaks or breaks during year. Brush around lower reservoir and to Rice's Spring was cut and burned. Mud was cleaned out of brook to Rice's Spring.

There was plenty of water at reservoir. The spillway overflowed in all months.

Distribution System Statistics

12 in.	2,834 ft. main gate valves	112
10 in.	17,905 ft. hydrant gate valves	64
8 in.	36,999 ft. hydrants	110
6 in.	35,439 ft. blow-offs	10
4 in.	14,954 ft.	

1 1-2—2 in. 10,000 ft.

Total 118,131 ft.

Pressure at hydrants: New System 75-107 lbs.; old system 8-28 lbs. Total service connections 691.

Following is a report received from State Board of Health on both systems. Have left out statistics relating to new system which were given in Selectmen's report of 1926-1927.

A. A. LAMARINE,

WAYLAND WATER SUPPLY

Owned Municipally

Authorized: Acts 1878, Chapter 80.

System installed: Two sources—two systems.

Supply pumped: Diesel engines

Population (1925): 2,255

Supervision: Board of Water Commissioners

Examined: May, 1928

By: C. I. Sterling, Jr.

Introductory

The Town of Wayland was authorized by the Legislature under Chapter 80 of the Acts of 1878 to supply itself with water from some source within the town limits. An old mill dam on Snake Brook was raised several feet and the pond formed was used as a source of water supply in the Cochituate village district of the town of Wayland. As this source is a gravity supply and the source of supply at a comparatively low elevation, the pressure in Cochituate Village is very low ranging from about 8 to 27. In 1913 an 8-inch emergency connection was made to the Natick supply in order to increase the pressure when necessary for fire protection.

The quality of the water from this Snake Brook Reservoir is not always of the best due to its large area of shallow flowage and bordering swamp lands causing disagreeable odors, tastes and color in the water. The Cochituate Village supply is only available to approximately half of the town of Wayland because of the low elevation of Snake Brook Reservoir. In 1921 the town of Wayland was the recipient of the sum of \$225,000 under the will of Mr. Jonathan M. Parmenter for the construction of a water supply system for Wayland Center. Thirty wells were driven south of Baldwin Pond and the entire system installed by the Hydraulic Development

Company of Boston. The two systems are now owned by the town of Wayland but are not connected, the nearest mains being approximately two miles apart.

Description of the Systems

Cochituate Village: The Snake Brook Reservoir, having a watershed area of 0.67 square miles, is divided into two small reservoirs by an earthen dike. The upper basin has an area of 4.6 acres and the lower 7.6 acres. The two basins are connected by a 6-inch pipe which is only opened in case of low water in the lower basin. The water is supplied to Cochituate Village by gravity through a 10-inch cast iron main running from the lower basin. The reservoir is divided into two basins because the lower basin has a better quality of water due to the better kind of soil on its bottom and the better preparation it received for the storage of water so that the water from the upper basin is only used when necessary.

Wayland Center: The water supply is obtained from a set of thirty driven wells ranging from 35 to 65 feet in depth located near Baldwin Pond and pumped through a 10-inch main to a steel standpipe located on Reeves Hill. This standpipe has a capacity of 500,000 gallons and is located at such an elevation that it can supply water to both Wayland and Wayland Center and Cochituate Village at a suitable pressure for fire protection.

Examination of Watershed

Water Supply of: Cochituate Village.

Snake Brook Reservoir Watershed.

Area	0.67 Square Miles
Area of land on watershed owned by town ..	None
Topography	Hilly
Soil	Ledge, gravel, clay

Area of:

No. 6. House (deserted).

Examination of Ponds and Storage Reservoirs Water Supply of Cochituate Village

Snake Brook Reservoir

Location: Easterly part of town of Wayland approximately 2 miles northeast of Cochituate Village.

Date of construction 1878

Area at flow time 12.2 acres

Area of watershed including water surface .67 sq. mi

Per cent of water surface (flow line 2.9%

Total storage capacity 16,000,000 gallons

Maximum depth 17 feet

Average depth 6 feet

Amount of shallow flowage (less than 3 ft.) 7.0 A.

Land owned by town around reservoir None

No records kept as to height of water.

Intake to Mains:

Location Southern part of reservoir

Description 10-Inch cast iron pipe

Dept. of intake above bottom 15 feet

Elevation of intake above bottom 2 feet

Screens None

Bottom of Reservoir:

Extent of preparation for storage of water: The lower reservoir has been cleaned out but nothing has been done to the upper reservoir.

Nature of soil on bottom, Mostly clay, some ledges and hardpan.

Reservoir can be drawn off to clean a large part of it.

Description of Dam

Type	Earthen
Length	117 feet
Width of top	15 feet
Width of spillway	8 feet
Depth of spillway	2 feet
Flash boards cannot be used.	
No apparent leakage through dam.	
General condition of dam	Good

Measures for the Protection of the Supply

Cochituate Village Supply

The local Board of Health exercises no authority over the source of supply.

Inspectors are not maintained around the reservoir.

The superintendent makes a general inspection of the watershed once a month.

No boating or fishing are permitted in the reservoir.

No ice is cut on the reservoir.

Important Legislative Acts

1878 Chapter 80. Town may supply itself with water. May take water from any source within town limits.

1903 Chapter 316 Weston Water Company may extend pipes into Wayland. Wayland may purchase the Weston Water Company.

Conclusion

The water supply of Wayland Center is safe and adequate for the future needs of the Town of Wayland for many years if the population of the town increases at its present rate. The water supply of Cochituate Village is in all probability safe but the quality is not always of the best and the pressure altogether too low for even domestic purposes in some localities. It is recommended that Snake Brook Reservoir be eliminated as a source of water supply for Cochituate Village and in its place take water from the driven wells which supply Wayland Center at present. This would necessitate the laying of approximately two miles of mains either along Main Street or Connecticut Path.

REPORT OF CHIEF OF POLICE

For Year Ending December 31, 1928

Cochituate, Mass., Jan. 17, 1929

Number of Arrests:		105
Injury to Property	4	
Disturbing the Peace	16	
Drunkenness	16	
Robbery	8	
Operating under Influence of Liquor	9	
Liquor Violations	7	
Violation Automobile Laws	41	
Assault	1	
Lewdness	2	
Robbery While Armed	1	
		105

This list includes arrests, made by the State Patrol.

On account of the increase in traffic over Pond Street since the road has been built, and the many accidents we have had, (fortunately without serious injury to person) I believe there should be a "Stop" and "Go" signal installed at the intersection of Main and Pond Streets, Cochituate,

EDWARD F. DORSCHIERER,
Chief of Police.

REPORT OF FIRE DEPARTMENT

Wayland, Mass., Jan. 17, 1929

Alarms answered

72

There were many brush fires in the early part of the year due to dry conditions. This was offset in the later part by much rain.

There were six (6) building fires, all of which were in summer cottages.

A re-built motor was installed in the fire truck at Wayland.

Considerable work will have to be done the coming season on the fire alarm system, due to the changing of poles by the telephone and light companies and from interference by trees.

We are recommending to the Finance Committee, that the Fire Department Appropriation be increased to Twenty-five Hundred Dollars, (\$2,500.00).

The present appropriation is Two Thousand Dollars, (\$2,000.00).

This amount is much lower than the appropriations of other towns in our class. The added amount asked for, will be of great aid in bringing the Fire Department to a better degree of usefulness.

ALFRED A. LAMARINE, Chief,
FRANK J. BIGWOOD, District Chief,
EDWARD F. DORSHIEMER, Clerk,
Board of Fire Dept. Engineers

REPORT OF CEMETERY COMMISSIONERS

Six hundred dollars was received during the year, to establish four Perpetual care Funds to care for burial lots., as follows: \$200 from the administrator of the Estate of George F. Marston for a Fund to be known as the "George F. Marston Fund;" \$100 from Mrs. Charles B. Felch for a Fund to be known as the "Charles B. Felch Fund;" \$200 from Mrs. Nellie J. Draper for a Fund to be known as the "Paul T. Draper Fund;" and \$100 from Mrs. Dana Elkins for a Fund to be known as the "Ainsley Dunham Fund."

On December 31st, 1928 there is \$14,250.00 invested to obtain income for the care of burial lots. It is hoped that other owners of lots will place them under perpetual care, as soon as possible.

The Commissioners were able to have a large depression in Lake View Cemetery partly filled in. As soon as possible it is hoped the Town of Wayland, Mass., will assist in filling in the balance of the depression, which will thereby add ten or twelve lots for burial purposes.

The Commissioners have decided it is unnecessary to have the long list of Perpetual Care Funds and their respective balances included in their report. The books of record are open at all times for inspection. For financial report see Town Accountant's report for the year 1928.

The Commissioners wish to place on record their appreciation of the splendid work done by the men of The Charles H. Alward Post of the American Legion, in taking down a large number of dead trees in the North Cemetery. The work was done with care and efficiency.

The Commissioners would call attention to the urgent need of the extension of the water pipes into the North and Center Cemeteries. Owners of burial lots are

put to great inconvenience when they desire to keep decorations fresh and in good condition, particularly before Memorial Day.

Respectfully submitted,

FRANK F. AMES
CHARLES I. FULLICK
WILLIAM READ

REPORT OF THE DISTRICT NURSE

Madam President and members of the Wayland District Nursing Association:

I hereby submit my eighth annual report for the year ending December 31, 1928.

Several social service problems have been dealt with this year.

In July, two pre-school clinics, conducted by Dr. Sparks, were held in the school buildings.

One of our under weight school children was sent by the Association to a summer camp for the month of August.

New cases opened during the year	86
Nursing visits	601
Prenatal visits	16
Deliveries attended	5
Advisory visits	50
Friendly visits	39
Pre-school visits	49
Tuberculosis visits	10

I wish to express to the Selectmen my gratitude, for their kindness, and to thank the members of the District Nursing Association for their unfailing cooperation.

Respectfully submitted,

MARY E. McNEIL

SEALER OF WEIGHTS AND MEASURES

I wish to submit the Report of the Sealer of Weights for the year 1928, ending November the 30th.

Cr.

Private	\$438.00
Sale of lead	89.80

DANIEL J. GRAHAM,
Superintendent.

HIGHWAY SURVEYOR'S REPORT

January 19, 1929

To the People of Wayland:

I submit my sixth annual report as Surveyor of Highways.

For a number of years the State has loaned our town a truck to be used in snow removal. This year the State truck was not available.

It seemed advisable to hire a truck for the above purpose. This was done at the rate of \$300 per month for 4 months. Knowing that the same thing would have to be done the following winter, I decided to buy the truck, paying at the same rate as rental, and without interest. The truck cost \$4,450 and will be all paid for on March 1, 1929.

I would recommend that the Town appropriate for the coming year.

General Highway and Bridges	\$10,000
Oil	10,000
Sidewalks	1,000
Railings	300
Snow	3,000

I thank the people of the Town for their co-operation.

Respectfully submitted,

JAS. FERGUSON,
Surveyor of Highways.

REPORT OF ASSESSORS

The Board of Assessors met and organized March 30, 1928. Daniel Brackett was chosen Chairman and Clarence S. Williams, Clerk.

Mr. Sidney Loker was elected in regular Town Election to fill the vacancy of two years occasioned by resignation of Mr. Edwin G. Brown.

REPORT OF EXTENSION SERVICE WORK

The town of Wayland appropriated \$300.00 in support of the Middlesex County Extension Service through the Trustees for County Aid to Agriculture for 1928. The following is a report of the work accomplished during the year.

In Agriculture fertilizer experiments were carried on at the farm of Joseph Decatur in the use of different fertilizers and these have been of special interest and value in connection with profitable potato production. Ronald Campbell was successful in winning in the 300-Bushel potato club contest, for this year. Considerable interest was shown in the plowing demonstration given, which showed the methods used in the European Corn Borer control work. Two pruning demonstrations were held in the interest of the orchard men. Thirty-three farm visits were made to assist farmers with their individual problems.

In Homemaking a total of sixty-six women attended the homemakers' groups this past year. Groups were conducted in Tower Hill, and in the Mothers' Club in Cochituate. A series of five Home Improvement meetings were held in each of these communities. As a result, homemakers have reported that many improvements in kitchen have been made. The Nutrition Program consisted of a series of four meetings. The homemakers in these units have passed on what they have learned to 105 other who could not attend the meetings. This fall, these units are carrying on a Clothing program of four meetings to discuss Line and Design in Dress and short-cuts in Garment finishes.

In Boys' and Girls' 4-H Club Work eighty-eight boys and girls were enrolled in garden, handicraft, poultry, clothing, and canning clubs. Miss Mary Kerr, Mrs. Richard Ames, Mrs. Margaret Fiske, Miss Ethelyn Morrill and

Mrs. W. J. Scotland served as local leaders. Handicraft exhibits in Cochrane and Wayland were unusually good. Madeline Bullard, Ruth Schleicher, Edwin Adams and Henry Hardy were awarded a two-day trip to the Massachusetts Agricultural College for doing outstanding 4-H club work.

Eight educational motion picture shows were given to a total attendance of 1500.

In addition to the above work, the local people had an opportunity to attend several county-wide meetings on the various phases of agriculture and homemaking, as well as received circular letters giving timely information on subjects pertaining to the Farm and the Home.

The only change in Investment of Library Funds in Control of Library Trustees was \$100 U. S. Third Liberty Loan Bond in Lydia Maria Child Fund which matured and the proceeds from which were placed in the Provident Institution for Savings.

REPORT OF LIBRARY TRUSTEES

The administration of the library for the past year presents no notable features, except the continued increase in circulation, which has been uninterrupted for the past ten years. In the year past the circulation reached a total of over thirty thousand volumes, which for a town of two thousand inhabitants is remarkable. It is certainly a gratifying commentary on the value of the library to the town, and its appreciation by our citizens.

Since the gift of our beautiful main library building to the town by the late Warren Gould Roby in 1900, no major repairs have been needed, or have been made. However, after twenty-nine years of use, the interior painting and wall coloring have become dingy and soiled and need renewing. An article will be inserted in the warrant for the ensuing Town Meeting, asking for an appropriation for this purpose. As both the library building and the large lot of land on which it stands were both given the town, at the cost of their adequate maintenance, it would seem, need not be unduly considered.

REPORT OF BOARD OF PUBLIC WELFARE DEPT.

The Board of Public Welfare hereby present their annual report. The expenses of this Department during the past year have been greatly increased over previous years, owing to increase in calls for aid which the Board has received. In giving relief to those in need we have been as economical as possible and at the same time given them the necessities of life, which were absolutely essential to their health and welfare. Our financial statement is included in the Town Accountant's Report.

REPORT OF THE BOARD OF HEALTH

The Board of Health submit the following report for the year 1928.

Contagious Diseases

Measles	42
Chicken Pox	4
Scarlet Fever	5
Lobar Pneumonia	2
Tuberculosis	1

Nuisances

Complaints of conditions detrimental to the public health are frequent, but not more so than any other town of our size. In fact we consider the health conditions of the town better than other years. We have had no reports of diphtheria in 1928.

Dumps of the Town

The town should furnish a dump on both ends of the town, so that people will not be dumping rubbish on the road sides. We found quite a few people that dump rubbish on the old Sudbury Road, the clerk wrote to the people and they cleaned it up.

The Board of Health wishes the public to understand that the Board of Health has taken care of all cases of contagious diseases that have been reported to them.

The Board cannot do anything unless they get a report of contagious diseases from the head of the house or the physician who attends such cases.

The Board has no control of such diseases in other towns or hospitals. Please read General Laws in reporting contagious diseases, that they may understand them better.

On one case of scarlet fever the Board did not get a report of the case from the physician until 4 weeks from the onset of the disease, so could not do anything about it.

The Board of Health adopted and accepted a set of Rules drawn up by the Town Attorney and accepted by the State Attorney in regard to the dumping on streets or vacant lots. These Rules were printed in the Wayland Enterprise, a paper printed on March 30, 1928. Rules and Regulations adopted on March 23, 1928.

Town of Wayland

Rules and Regulations

No person or persons, unless by leave of the Board of Health, shall dump, throw or deposit or cause to be dumped, thrown or deposited in any Street or Vacant lot or in any pond, creek, stream or river, any dirt, sawdust, soot ashes, cinders, shavings, lime, shreds, manure, metals, rubbish or filth of any kind, or any vegetable or animal or substance whatever.

Contagious Diseases

We wish to call to the attention of physicians and parents to the General Laws, Chapter 111, Section 3, which read as follows:

If a physician knows that a person whom he visits is infected with small pox, diphtheria, scarlet fever or any other disease declared by the department dangerous to the public health, or if either eye of an infant whom or whose mother a physician or hospital or medical officer registered under section nine of chapter one hundred and twelve visits, become inflamed, swollen or red or shows unnatural discharge within two weeks after birth, he shall immediately give written notice thereof over his own signature to the Board of Health of the town, and if he refuses or neglects to give such notice he shall forfeit not less than fifty nor more than two hundred dollars.

Licenses Granted

Number of milk licenses granted	9
Number of slaughtering licenses granted	1
Number of alcohol licenses granted	7
Number of manure licenses granted	5

REPORT OF THE PLANNING BOARD OF THE TOWN OF WAYLAND FOR THE YEAR 1928

To the Inhabitants of the Town of Wayland:

The Planning Board continued its organization of 1927, Frank I. Cooper, Chairman, Ronald Campbell, Secretary.

The matters which have chiefly occupied the Board's attention during 1928 are as follows:

1. New Town Hall lot.
2. State Road Relocation.
3. Land at Intersection of Plain and Pond Streets.
4. Sidewalks, Pond Street and Concord Road.
5. Obstruction to Traffic View, Sandy Burr.
6. Street Signs.
7. Town Plan.

New Town Hall Lot

At the annual meeting (1928) the Town voted one thousand dollars (\$1000) for a survey plan of the new Town Hall lot to be expended by the Planning Board. The money was raised and placed at the Board's disposal. The Board believed the amount of land to be taken for the State road should be settled before any money was expended for a landscape survey of the lot. They therefore deferred action. The Board recommends that the money voted last year be revoted as a special appropriation to be used by the Planning Board in study and improvement of the new Town Hall lot.

State Road Relocation

The Board has kept in touch with this work through the Engineers of the State Highway Department and the County Commissioners. As now laid out a widening of the road is proposed beginning at the B. & M. Railroad crossing and extending east to beyond Terrace Garden. The sharp curves will be flattened and better grades se-

cured. It is the understanding of this Board that about ten feet of the Town Hall lot will be taken for the widening.

Land at Plain and Pond Streets

Purchase of this land was referred to the Planning Board at the 1928 annual meeting. Investigation on the ownership of this land is under way and the Board will submit its report on this matter as soon as the investigation is completed.

Sidewalks

In considering the building of sidewalks along Pond Street, Cochituate, and Concord Road, Wayland, the Board makes the general recommendation that no permanent sidewalks be built on streets whose location and grade is liable to be changed, and that when sidewalks are built the surface should be of cement or other long wearing material, and that permanent curbs be constructed between the sidewalks and the street. The Board will have estimates on the cost of sidewalks along Pond Street and Concord Road for the March Town Meeting.

Obstruction to Traffic View at Sandy Burr:

The Board discussed this matter with the authorities at Sandy Burr. It was appreciated that the then existing hedge and stone wall along the road where there is a sharp curve by the old farm house created a menace to automobile traffic. The Sandy Burr authorities offered to remove the obstruction without cost to the Town and this work they have performed.

Street Signs

The Board has continued its work of supplying and erecting street signs, and nearly all streets have now been marked. There is a small balance of the special appropriation for street signs, and the Board will continue its work until all streets are marked.

It has been discovered that the last street leading off the Concord Road to the east before reaching the Lincoln line has no official name. The Town should vote on this matter. The Town should determine the custody of street signs after erection and provide for maintenance.

Town Plan

The matter of a Town Plan has made progress since

the Board's last report. The airplane photographs of the center of Cochituate and Wayland villages have been made and will be placed on exhibition in the engine house at Cochituate and in the Town Hall at Wayland. They have already been of use in spotting the locations of buildings for the State Board of Health. The Board has consulted two surveyors on the probable cost of an official map of the Town. The estimates were so far apart that the Board does not consider it can make a recommendation.

The Board believes the airplane photographs a success and recommends that an appropriation be voted for a complete airplane survey.

Respectfully submitted,

FRANK I. COOPER, Chairman
RONALD CAMPBELL, Secretary
JAMES BOLTON
ALVIN B. NEALE
HOWARD S. RUSSELL

Water Dept.		11,262.88	11,000.00
			<u>130,006.93</u>

*\$2,000 additional received from the State and \$2,000 from County, making a total of \$12,000 for oiling.

The following items in the budget call for special comment:

The Town Hall appropriation has been increased \$100 so as to install town water.

The Assessors' appropriation has been increased \$300 on account of increase in per diem wages voted the Assessors at last Town Meeting.

The extra appropriation in Police Dept. is occasioned by expense of installing Warning Device at the corner of Main and Pond Streets, Cochituate.

The Fire Department appropriation has been increased \$500, principally for the repair of Fire Alarm System.

We have provided for the following unpaid bills:

Highway Dept.	\$422.99
Town Clerk	1.75
Assessor's Dept.	387.70
Park Commissioners	41.00
Public Welfare Dept.	334.34
Health Dept.	68.00
Cemetery Dept.	3.15

1,258.93

We recommend that the unexpended balances of the following accounts:

Town Hall Repairs	157.83
Planning Board, Special Appro. Study of Land	1,000.00
Pond St. Con. trans. to Ex. & Def. Account	1,500.00

We recommend that the money received from dog licenses be appropriated—one-half to the schools (education), and one-half to the library.

Respectfully submitted,

WILLIAM S. LOVELL, Chairman
ERNEST F. LAWRENCE
FRANK E. DAVIS
WILLIAM J. SCOTLAND
Finance Committee

REPORT OF BOARD OF COMMISSIONERS OF TRUST FUNDS

February 13, 1929

To the Inhabitants of the Town of Wayland:

The Board of Commissioners of Trust Funds respectfully report as follows:

During the past year the following additional trust funds have been added to those under our management.

Cemetery Trust Funds

George F. Marston	\$200
Charles B. Felch	\$100
Paul T. Draper	\$200
Ainsley Dunham	\$100

THE
VALUATION LIST
OF THE
TOWN OF WAYLAND

FOR THE YEAR

1927

THE
VALUATION LIST
OF THE
TOWN OF WAYLAND
FOR THE YEAR
1927

REPORT OF THE ASSESSORS

At the Annual Town Meeting in March 1927, it was voted unanimously that the Board of Assessors are hereby authorized and instructed to print the valuation list in such form as they deem advisable as part of the Annual Town Report in February 1928, and that the necessary expense thereof be appropriated and assessed as part of the 1928 appropriations.

The Assessors have complied with the foregoing vote and have compiled a true and perfect list to the best of their knowledge and belief.

All River Meadow property considered of no value has been withdrawn from assessment and a list of the same has been kept for future reference. The different Subdivisions of house lot developments have been recorded separately only omitting those persons who are year round residents and listed as such. Where abbreviations appear in connection with house lots W. M. means Wayland Manor, W. P. for Woodland Park, C. G. N. for Castle Gate North, C. G. S. for Castle Gate South and etc.

Regarding exemptions C.W.* means Civil War Veterans or their Widows exempted by law \$1000. Where other exemptions appear they are made under statutory right of Assessors.

1927 Tax Rate \$22.10.

DANIEL BRACKETT,
CLARENCE S. WILLIAMS,
EDWIN G. BROWN,
Assessors.
